### **THURSDAY, SEPT 19**

**SA13- 001 Opening Keynote Address: To Battle or Befriend the Hypersexual Parts of Ourselves and Our Patients? – *Richard Schwartz, PhD*** - Because hypersexual urges wreak so much havoc in our patients' lives, we tend to demonize them and try various ways to control, ignore, or distract from them. That approach can work but takes vigilance and discipline.

Internal Family Systems (IFS) therapy offers a different approach: listen to those sexual parts from a place of mindful curiosity; learn about the suffering, vulnerable parts of us they protect; heal the vulnerable ones and then help the sexual ones into new inner roles. This approach will be described & illustrated in Dr. Schwartz's talk.
